

BF Goodrich Site Asbestos Removal Informational Meeting June 6, 2019

The U. S. Environmental Protection Agency (EPA), in cooperation with the Oklahoma Department of Environmental Quality, will hold a community meeting to discuss the cleanup and removal of approximately 23,000 tons of asbestos containing debris at the former B.F. Goodrich tire plant in Miami, OK. The community meeting will be held:

**Thursday, June 6, 2019
6:30 p.m. to 8:00 p.m.
Miami Civic Center
129 5th Ave NW
Miami, OK 74354**

The community meeting is being held in a fully accessible facility. Should you have specific needs or

questions about the facility, please contact Edward Mekeel, U.S. EPA Community Involvement Coordinator at 214-665-2252 or 1-800-533-3508 (toll-free).

You may also contact Mike McAteer, the Federal On-Scene Coordinator, at 214-665-7157 or 1-800-533-3508 (toll-free).
